**Re: Assignment, Declaration and Power of Attorney for HYS-B2CIP/US
Application for Signature**

Dear Tom:

Thank you for updating your contact address so we may contact you regarding patent matters. I also understand that congratulations are in order for your completion of your graduate studies and the earning of your Ph.D.

Enclosed please find an assignment, declaration, and power of attorney for the HYS-B2CIP/US application (contains CEA, cytokine-like (TaFa), FaTa, and C1q-like genes) that require your signature and the date that you signed. I am also enclosing a copy of the application on CD. Please sign and date where indicated and return the document to **me no later than September 29, 2006**. A pre-paid, pre-addressed FedEx envelope is enclosed for your convenience in returning the signed documents to us.

Before signing the documents, please verify that all your information is correct. If any changes need to be made, cross out the incorrect information, write in the correct information and initial and date next to the change.

Please contact me at 650-517-8422 or rpolizotto@nuvelo.com with any questions or concerns you may have. I hope you are doing well.

Sincerely,

Renée Polizotto
Patent Agent

ASSIGNMENT

Serial No: 10/520,299
Filed: January 4, 2005
Title: METHODS AND MATERIALS RELATING TO NOVEL POLYPEPTIDES AND
POLYNUCLEOTIDES

For One Dollars (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign to Nuvelo, Inc., a Delaware corporation, 675 Almanor Avenue, Sunnyvale, California, 94085, (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned disclosed in the above-identified application for Letters Patent of the United States, and in said application and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said assignee.

The undersigned hereby authorize and request the attorneys of record in said application to insert in this assignment the execution date and/or filing date and serial number of said application when officially known.

The undersigned warrant themselves to be the owners of the interest herein assigned and to have the right to make this assignment and further warrant that there are no outstanding prior assignments, licenses, or other rights in the interest herein assigned.

For said consideration the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, and vest all rights therein hereby conveyed in said assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by said assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
